LIEUTENANT STEPHENSON

Young Attorney Rewarded with Commission after Many Disappointments

Crowning a year's unremitting toil during which he encountered obstacles and misfortunes sufficient to cause the ordinary man to abandon effort, Dwight West Stephenson, the young attorney of Glendale, has been rewarded with a lieutenant's commission in the Field Artillery.

Lieutenant Stephenson entered the service of his country as a private soldier October 13th of last year and after three unsuccessful attempts his fourth trial resulted in the fulfillment of his hopes on October 13th of this year, being one year to a day after his entry into the service. It would seem that the young man's determination to rid himself of the cloud of misfortune had been successful, but such was not to be. On the day he completed his examinations, he was taken to the hospital at Camp Taylor, a victim of Spanish influenza, and it was while there that he received his commission and took the oath of a commissioned officer.

Prior to his entry into the army, Lieutenant Stephenson was associated in legal practice with Mattison B. Jones, the Los Angeles attorney, and was rapidly gaining recognition in legal circles. He enrolled in the officers' training school but through some technicality was not called. After entering the service he again took up his studies at Camp Lewis and though one of three high candidates, was again disappointed. His transfer to Camp Kearny gave him another opportunity, but after going through the course he was rejected for infantry duty because of an

PACIFIC ELECTRIC REDUCES RATES

The new rates for local travel are now in effect and are very satisfactory. They are as follows:

From San Fernando Road to Arden Avenue or East Broadway, 5 cents.

From Pacific Avenue and North Glendale to Broadway and East Broadway, 5 cents.

These rates make practically five-cent local rates to and from all sections of Glendale.

HOW TO MAIL CHRISTMAS PARCELS FOR SOLDIERS OVERSEAS

Each soldier or other member of the American Expeditionary Forces in Europe will send to his nearest relative or friend a "Christmas Parcel Label," which is furnished him by the War Department. Upon receipt of this label, take it to the nearest Red Cross distributing station, and you will be given an official carton and full shipping instructions. The last date of shipment will be November 20th.

This is the only procedure designated by the War and Postal Department for forwarding Christmas parcels "Over There."

imperfect arch. The fourth and successful trial was completed at Camp Zachary Taylor in Kentucky, where he is attached to the Second Light Field Artillery.

Lieutenant Stephenson is the son of Mr. and Mrs. Andrew Stephenson, of 1241 Central Avenue, and is well known in social and political circles in this community. He is a graduate of Glendale Union High School and a member of the Los Angeles Bar.

CALIFORNIA LIBERTY FAIR

Although the date of the opening of the California Liberty Fair is still undecided, the managers and exhibitors are still planning and working, as is shown by the following notices sent us by Publicity Manager Bert C. Smith:

When the California Liberty Fair is opened at Exposition Park, Los Angeles, the number of exhibits will be even greater than was promised for the earlier date. The fact that the opening date was postponed has meant added interest among the exhibitors, and co-ordination of effort among those interested in the fair. Not an exhibit will be removed, not one attraction will be lessened.

The Government exhibit is now being rapidly put into place, this means an educational offering such as California has never had an opportunity to enjoy. On the 12,000 square feet of space in the Armory Building there will be arranged an exhibit that will include trophies from the war front, insignia worn by our boys who are now at the front; the uniforms, trench equipment, machine guns, in fact everything that goes to make a war equipment. In addition to all of this, there will be a food display that will give the housewives helpful hints on how to save to serve.

Manager C. R. Thomas, of the livestock department, says that the owners who have herds already on the grounds will remain where they are, none of them having any desire whatever to cancel entries. This means that the livestock show will not be crippled by the postponement of the opening day.

UNITED WAR WORK CAMPAIGN

The seven welfare organizations which are serving American and Allied Soldiers, the Y. M. C. A., Y. W. C. A., National Catholic War Council, United K. of C., War Camp Community Service, American Library Association, Jewish Welfare Board and Salvation Army, have, at the request of President Wilson, combined forces for a drive for war funds during the week of November 11 to 18.

The campaign will be for \$170,500, and the eight states of the west together with Alaska and Hawaii have been asked to raise five per cent of this amount, or \$8,525,000.

California's quota is \$4,688,750.

Every cent raised will be used in war work and will be the means of maintaining and raising the splendid morale of the soldiers and sailors. State and county committees have been formed and the campaign will be carried down to the last home in the community. It will signify the nation's backing of the men at the front, a tribute from the hearts of the people to the boys who are offering their lives that liberty shall not perish from the face of the earth.

STATE'S LODGES CONDEMN HEALTH INSURANCE BILL

Representing more than 400,000 members of 21 leading lodges throughout California, the Associated Fraternal Societies of California has issued a statement, setting forth its reasons for opposing Compulsory Health Insurance at the coming election. Proposition No. 20 on the ballot is condemned as, "A plan to destroy beneficial fraternal societies in this State."

H. Schaffner, president, and James Davis, secretary, of the Associated Fraternal Societies, sign the appeal, which is in part as follows:

"The Associated Fraternal Societies of California do not want Compulsory Health Insurance. At the November election this bill will be No. 20 on the ballot. Vote No!"

"What is Health Insurance?"

"It is a plan for State administration of Sickness Insurance, covering only a portion of the wage earners.

"A plan worked out by politicians to create power for themselves.

"A plan to force those affected by said law to accept State medical attention whether they desire it or not.

"Class legislation, covering only those earning less than \$1600 a year; the small business man not to be considered.

"A plan which would protect regular employees only, leaving unemployed and casual workers to shift for themselves.

"A plan to waste from \$30,000,000 to \$50,000,000 per annum of State funds, to create a political monopoly which could never be broken.

"A plan to destroy beneficial fraternal societies in this State.

"Vote No—because Compulsory Health Insurance means slavery. Because in every State where Health Insurance has been proposed, it has been emphatically rejected. Because farmers will not participate in its alleged benefits. Because it is class legislation, undemocratic and un-American."

ARTHUR G. LINDLEY

Candidate for Member of Assembly,
Sixty-first Assembly District. Received Most Votes of Any
Candidate at Primaries

A clean-cut business man with high moral standards. Will be an efficient and dependable Representative of his District in the Legislature. He has the endorsement and support of

all of the Dry Forces, as well as large numbers of the leading members of all the political parties. He is gaining strength daily as a candidate, as the people of the district get to know him better. He has always taken an active interest in the moral, social and political betterment of his community, and has been a leader in these lines of activity.

Mr. Lindley is no Pacifist, but is keenly alive to the necessity of winning the war, and firmly believes that no peace, or even armistice, should be declared until Germany has surrendered unconditionally; and then the terms of settlement shall be dictated by the United States and the Allies, and Germany's punishment be as nearly as possible commensurate with the great crimes she has committed against Civilization and Humanity.

He will be right on all moral issues, and safe on all others.

CALIFORNIA LIBERTY FAIR

(Continued from Page 1)

Aviation corps from the army and navy will have a prominent part in the demonstration. An aeroplane fleet will fly overhead with their motors tuned to a song of victory instead of destruction. All branches of the service will be asked to work up special ideas, and they can be relied upon to furnish enough thrills and give realistic impressions of the work their brothers are doing on the western front.

HALLOWE'EN AT VENICE

If you are looking for something new, novel and entertaining, yet embracing all the features of a real carnival, come to the big Mardi Gras celebration at Venice on Hallowe'en, Thursday, October 31. There will be something doing every minute, for from the Race Through the Clouds to the pier's end, and from the plunge to Windward Avenue on the Broadwalk, there is going to be such a kaleidoscopic array of fun makers that your eyes and ears will be in constant action to keep up with them.

Witches and hobgoblins will be there; clowns and yama yama girls; joker bands and gay masqueraders, who will keep you guessing who they are; black cats and red devils; and so many ghosts you would think that every graveyard has yawned and belched them forth in a cloud of smoke. For there will be masses of red and green fire, coil upon coil of serpentine, bushels of confetti, all intermingled in one mad pleasure fest—just for a night.

Amidst a roaring of bombs and the shrieks of the siren, the fete will be ushered in; at midnight there will be a spectacular display of fireworks, and from then on until the cold grey dawn Venice will be a continuous riot of fun, and endeavor to live up to the slogan of the day—"There's but one Hallowe'en—that's at Venice."

EXEMPTION BOARD

The local Exemption Board has received a call for limited service men as stenographers for the air service, to report to 711 Santa Fe building, San Francisco. Three hundred are needed.

The Board has been instructed that no men of the September registry are to be taken until the available men of the previous draft are exhausted. It has also been advised that the October calls have been permanently cancelled. This means that the registrants who were to have been sent to Camp Kearny will be held subject to the first call after the "flu" embargo is lifted.

AND DON'T STOP SAVING FOOD

Official Message of Food Administrator Merritt

THE PRESENT HOUR IS A MOST CRITICAL ONE FOR FOOD CONSERVATION. We've had victories on the Western Front. We've had a big harvest. While sugar is scarce, other fundamental foodstuffs seem temporarily plentiful. Self-denial has grown a bit tiresome. The fad of food-saving is no longer a fad.

It's less fun now to Hooverize than it was when Hooverizing was a new thing and a novelty. But, in spite of all these things, WE MUST NOT STOP.

FOOD WASTED TODAY IS GONE FOREVER.

SAVE SUGAR. Eat less sugar than the law allows. SAVE WHEAT; still save wheat. SAVE MEAT. SAVE ANIMAL FATS. Use vegetable oils instead. Don't let anything in your garden go to waste. Can everything possible, but use as little sugar as possible in doing it.

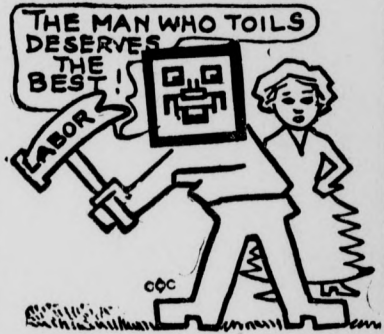

SAVE FOOD.

The war isn't over YET.

DON'T STOP SAVING FOOD.

LOCAL HAPPENNINGS

Judge Rives led all at the primaries, he having the majority vote.

W. H. Harrison, of Cypress Street, is visiting friends at Long Beach.

Mr. Ed Fairchild is quite ill of influenza, at his home on South Glendale Avenue.

Mr. Frederick Anderson, of Los Angeles, was the guest of Mr. and Mrs. H. Grauel the first of the week.

Garland Stone writes his mother of his safe arrival in France, and gives his views of the country "over there."

Mr. Frank Becket, of West Windsor Road, is confined to his home with a case of the Spanish "flu."

Mr. and Mrs. Emanuel O. Kepler, of 200 West Garfield Avenue, enjoyed an outing at Mint Canyon last Sunday.

Mrs. Peter Ferry and six children, who have been quite ill of the Spanish influenza at the Ferry home on East Acacia Avenue, are improving, and all are apparently past the danger point.

S. E. Brown is assisting in the office of the County Tax Collector. On account of the epidemic, a large portion of the tax payments will be made by mail this year.

Mr. and Mrs. C. K. Lake and Dr. P. O. Lucas and family spent the week-end in a camping trip to Pacoima Canyon, Dr. Lucas and family returning Monday.

Dr. Chase, Glendale's City Health officer, together with his family, have been having a siege of the "flu," and the city officials have appointed Dr. J. E. Eckles as Deputy to serve in that position.

Mr. and Mrs. Howard Salzman and tiny baby of four weeks have rented a bungalow on Boynton Street through Mr. Hal Davenport. Mr. Salzman is connected with the Germain Seed & Plant Company, of Los Angeles.

MRS. HANNAH B. BOMBARD PASSES

Funeral services were held Monday for Mrs. Hannah B. Bombard, at the Pulliam Undertaking Parlors, and interment made in Forest Lawn Memorial Park.

Mrs. Bombard has been in a feeble condition for several years, but was confined to her bed only for about two weeks, death coming to her on Friday, October 18th.

Mr. and Mrs. Bombard and family came to Tropica some ten years ago, and were numbered among our most respected and loved citizens. Mr. Bombard died some five years ago. One son, W. W. Bombard, is left as well as numerous relatives to mourn her departure.

Mr. John Crane, of Glendale Avenue, is reported quite ill with influenza.

Mrs. Charles Brooks and son Herbert, of San Pedro, are visiting with her parents, Mr. and Mrs. John Crane, recuperating from their attack of influenza.

Mr. and Mrs. Paul, of 1485 Glendale Avenue, left Saturday for Portland, Oregon, where they expect to make their future home.

Henry J. Stephens, a candidate for Superior Judge, is a native of New York. For twelve years he has been associated with the firm of O'Melveny, Stevens & Miliken.

The selection of good men for office, and particularly for Judges of the Superior Court, is a paramount duty in which every member of society has a part. Among the candidates for office is Judge James C. Rives, who has been Judge of the Probate Department for twelve years. Judge Rives has a splendid record in the past. Re-elect him.

FUNERAL SERVICES OF MRS. REBECCA STEWART

Private funeral services were held last Saturday afternoon at the Scovern-Letton-Frey Chapel for Mrs. Rebecca Stewart, who died at the home of her daughter, Mrs. L. E. Richardson, on Brand Boulevard.

Died, at Winnipeg, Manitoba, October 12th, Henry Miles Keller, of Montreal, Canada. Mr. Keller was the husband of Mrs. Pearl Keller of this city, and was en route to California at the time of his death.

Rosella Stoermer, sister of William E. Stoermer, of the Southern Pacific Company, living at 3802 Revere Avenue, passed away October 16th. Cremation took place on the 18th. Miss Stoermer was a native daughter of California, and a teacher in the Los Angeles city schools for the past twenty-five years.

✚ RED CROSS NOTES ✚

Wednesday was a very busy day for the Salvage Department.

The Membership Drive will be held the week of December 16th to 23rd.

Election of officers will take place at the regular meeting of November 6th.

Outside the door at the Salvage Department is a barrel waiting to be filled with pits and shells, for our soldier boys' masks.

The Red Cross Auxiliary of Atwater Tract has appointed the following committees: Chairman Salvage, Mrs. Van Tine; Sewing, Mrs. Walshe; Knitting, Mrs. H. H. Parramore; Squad, Mrs. L. L. Rowan. Salvage will be collected semi-monthly, on Wednesday, and will be taken to Salvage Headquarters, San Fernando Road. It will not be called for until the present epidemic is over.

Harry W. Chase, who has been confined to his bed for the past three weeks, is on the road to recovery.

Pearl S. Keller, of the Keller School of Dramatic Art and dancing, is one of Glendale's influenza sufferers, but is reported as recovering nicely.

Born, to Mr. and Mrs. G. A. Houdyshel, at the home of Mrs. Ellen L. Early, 519 East Palmer Avenue, October 23rd, a nine-pound girl. The mother and little daughter, who has been named Viola Alice, are doing nicely.

Mr. and Mrs. Chas. I. O'Neill are rejoicing over the arrival of a baby girl weighing 7½ pounds. The new arrival came on Thursday, October 24, at the Sisters' Hospital, Los Angeles, at noontime. Father, mother and little one are doing nicely. Chas. O'Neill is a brother of Father O'Neill of Glendale, with whom he lived up to the time of his marriage. He is with the Hibernian Bank, of Los Angeles.

As usual, Glendale has done her part nobly in the great Liberty Loan drive just completed. The committee reports that a total of \$365,650.00 was subscribed in this city, while the quota asked of us was \$198,600.00. About 2800 persons subscribed to the loan, which is about 400 more than the number of subscribers to the third loan.

PROCEEDINGS OF BOARD OF TRUSTEES

The Board met in regular session, assembling at 8:00 p. m., all members present. The minutes of the last meeting of the Board were read and approved.

Applications for permits to operate motor bus were read from Alex Karnback and Mrs. Alex Karnback, both being approved by the City Manager and the City Marshal, were on motion granted.

A communication was read from Irwin M. Walker, Attorney, in reference to the city contract with Tom Shima for the collection of garbage. The communication stated that Shima has left the country, the business being carried on by his partner at present, and suggested that a new contract be entered into. On motion, the communication was referred to the City Attorney to investigate and report.

A communication was read from C. L. Thedaker, agent for the Southern Pacific Ry. Co. in Glendale, in reference to the bill of that company for the moving of the Tropico Tower. On motion, the same was referred to the City Attorney.

A communication was read and ordered to be filed from Thomas H. Reed which called the attention of the Board to the proposition No. 25 on the November election ballot, which is intended to give the city a more effective method of financing public improvements and asking the support of the voters for the same.

The Chairman of the Board reported having received by mail, a petition signed by a large number of citizens and patrons of the Public Library, asking for the appointment on the Library Board in place of Mrs. Madeline Kelly, who recently resigned her position on that Board, Mrs. Wesley Bullis. The Chairman stated that he was placed in an embarrassing position in regard to this matter by the fact that before he had any knowledge of this position being in circulation, or the desire of the people to have Mrs. Bullis appointed, he had spoken to another lady to as-

certain whether she would accept the position and she had indicated her willingness to do so. The Chairman therefore presented to the Board the name of Mrs. Flora Temple, as a member of the Library Board. Trustee Muhleman made a motion that the appointment of Mrs. Temple be confirmed. The motion, not being seconded, led to some discussion of the matter informally and as a result, the Chairman withdrew the name of Mrs. Temple and nominated Mrs. Wesley H. Bullis as a member of the Library Board, to succeed Mrs. Kelly. On motion of Trustee Henry, seconded by Trustee Jackson, the nomination of Mrs. Bullis was confirmed, all voting aye.

The City Manager reported that there were 165 cases of Influenza in the City of Glendale up to date; that Dr. R. E. Chase, Health Officer, being ill, and temporarily unable to attend to the duties of the office, Dr. J. E. Eckles has consented to act in his place during his indisposition. A circular from the State Board of Health has been received giving directions to citizens as to measures of prevention and care of the afflicted during the existence of the epidemic, and the Manager suggested that copies of the same be printed and distributed throughout the city. On motion, the City Manager was instructed to take action as recommended by him.

The City Manager reported that Mr. J. A. Pirtle in discussing the question of sewage in Verdugo Canyon, had stated that he had personally interviewed the majority of the property owners in that section and that they favored a sewer system to be paid for by district bond issue. The matter was discussed at some length among the members and with the City Engineer, and on motion, the Manager was instructed to confer with Mr. Pirtle and invite him and other property owners of the Canyon to meet with the Board at its regular session on Thursday next, October 31, 1918, and discuss the matter.

The Manager reported that Mr. Walker, who had sold to the City a lot along Verdugo Wash, required to be used for flood protection purposes and straightening the channel, has agreed to wait for the sum of money due him for same.

The City Manager submitted a

written communication in reference to his resignation as handed to the Board of Trustees at the meeting of October 10, 1918, stating that the same was submitted upon the supposition that one of the members of the Board was dissatisfied with the office of City Manager as now conducted, and it was his desire to dispense with the services of the present incumbent. He has been informed since, however, by the member of the Board that such is not his attitude toward the incumbent of the office. In view of these facts, the resignation tendered on the 10th instant is withdrawn. On motion of Trustee Shaw, it was ordered that the communication be placed on file and the resignation of the City Manager be considered as withdrawn.

On motion of Trustee Muhleman, it was ordered that employees of the city be instructed to the effect that at 2 a. m. on the morning of October 27th next, 1918, all clocks will be set back one hour and their hours of duty will be regulated accordingly.

The Manager of the Public Service Department reported that the application to the State Railway Commission for permission to take over the Tropico Electrical Power Distributing Plant had been filed together with the request that the commission give a ruling in regard to the 10 per cent clause in the contract formerly authorized by the commission, there being a difference of opinion in regard to that point between the parties concerned. He also reported the installation of a red light on San Fernando Road, as previously instructed.

The City Attorney reported that the Pacific Electric Railway Company had issued an order extending the 5-cent zone within the City of Glendale from the San Fernando Road to Arden Avenue, or anywhere eastward on Broadway, extending the zone from Broadway to include Pacific Avenue within which the Ruth Avenue District is included.

French Sugar Mills Destroyed

France must import sugar today, most of it from this side of the ocean, because the largest portion of French sugar beet land is in German hands. As a result, the French people have been placed on a sugar ration of about 18 pounds a year for domestic use; a pound and a half a month. This photograph shows how the German

troops destroyed French sugar mills. Thanks to the French rationing system the annual consumption has been cut to 600,000 tons, according to reports reaching the United States Food Administration. Before the war France had an average sugar crop of about 750,000 tons of sugar and had some left over for export.

THE 'ENDLESS LINE' ROLLS ON AND ON

Here are American troops, blanket rolls on backs, rifles in hand, debarking in England from the transport on which they made a safe journey from some "Atlantic Port".

So continuously do American soldiers pass through villages of southeastern England, en route from some British or Scotch port where they have left their ships to some channel port to complete their voyage to France on the small cross-channel steamers, that the residents call it the "endless line".

Fourth Liberty Loan bonds will provide more and bigger transport for our soldiers and more destroyers to protect them from submarines.

LOWER PRICE FOR CREAM

Milk distributors of San Francisco and the bay cities have materially reduced the price on sweet cream. Quarter pints have been reduced two cents and half pints four cents.

The decrease followed the Food Administration's recent order prohibiting distributors from selling sweet cream containing more than 20 per cent butter fat for household, restaurant or other uses.

Los Angeles, as one of the big distributing centers, has indicated that a new downward scale of prices will be put into effect.

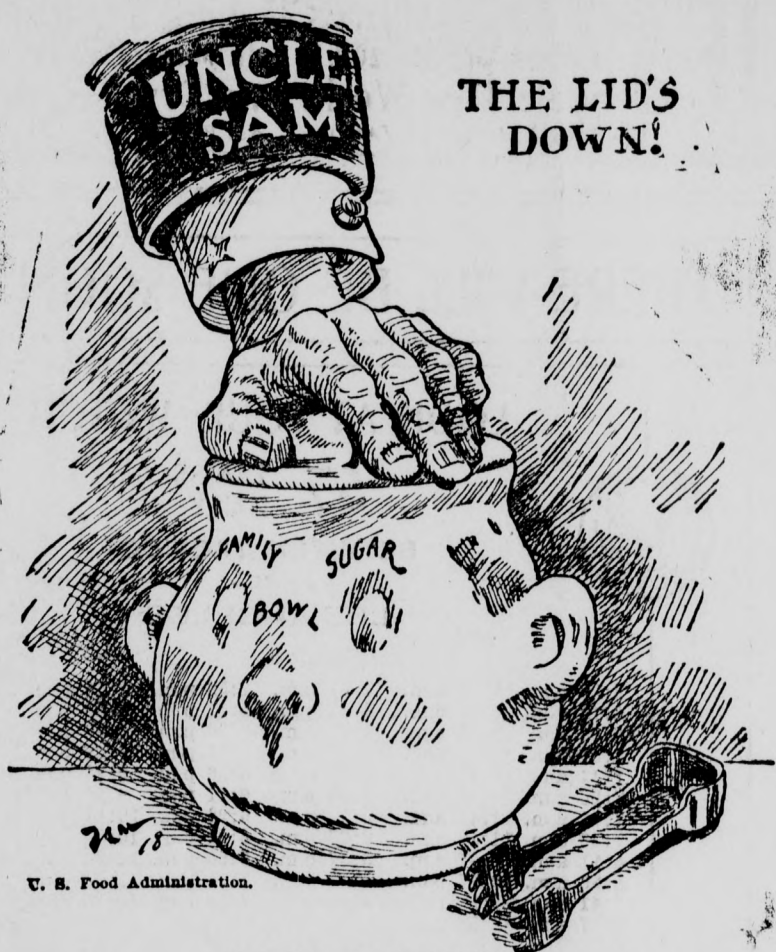

The new prices in San Francisco and vicinity, and elsewhere, will be subject monthly to slight advance or decline according to the advance or decline of the butter market, as butter is the basis of cream values.

VICTORIES CALL FOR INCREASED SAVING

Complete Peace Will Throw Extra Burden on Food Resources of America

(Issued by U. S. Food Administration for California.)

While the victories of the allied and American armies on the west front, the collapse of Bulgaria, and the impending breakdown of Turkey bring joy to the people of America, the spirit of optimism kindled by these sledge-hammer blows given to the Germans seriously endanger the food campaign of the nation.

Our people must be made to understand that complete peace would add to the gravity of the food problem. The surrender of Bulgaria did not add

a pound to the available food supply of the world for the present year.

It did throw on the Allies and on the United States the added burden of saving the people of Bulgaria from starvation. If Turkey should ask peace, the Turks must be fed. Food is the great tranquilizer.

Complete peace will leave fully 200,000,000 people in the ring surrounding the Central Empires absolutely dependent on world charity for food. Their own food supplies cannot be increased until next summer and fall.

While there is food available in remote districts of the world, it can not be made immediately accessible owing to the shortage of shipping. We must realize that war-time economy must continue after the coming of peace. We must learn to appreciate the fact that regardless of the ending of the war, it is only by rigid saving, by self-denial, by the practice of the closest economy, that the food supply of the world can be made to meet the demands upon it.

Food is winning the war. It is doing more. It is binding men of all nations into closer relations which, after

the thunder of the guns has ceased, will make for lasting good will and enduring peace.

In the dark hours we saved to win the war. In the cheering news from across the ocean is an increased demand for still greater saving.

NEW FOOD CARD FOR EVERY HOME

Ten thousand women volunteers, wearing the shield of the United States Food Administration, in the next few weeks, will distribute the new conservation "Home Cards" to more than 650,000 California homes.

The new "Home Cards" bear the enlarged conservation program for this year in detail, and set forth definitely the duties of each family and member thereof in saving the 17,500,000 tons of foodstuffs which America must send to her fighting men and to the Allies before June 30th, next.

Danger lies in relaxation of effort in food saving, and our victories do not increase our available food supplies. We are pledged to export 5,000,000 tons more than last year, and this extra tonnage must be conserved in the homes, a task which will require unceasing and vigilant conservation.

On each individual, and particularly on the woman in the home, rests the responsibility of saving food to meet the needs of the Allies.

BUY VICTORY MIXED FLOUR

The Food Administration particularly urges housewives to use Victory Mixed flour, which all grocers have been instructed to carry in stock.

Use of the Victory Mixed flour will save time, labor and inconvenience, and the waste incidental to mixing straight wheat flour with the necessary substitutes. No substitutes need be purchased when Victory Mixed flour is bought. It will be found that Victory Mixed flour will prove most satisfactory when used according to recipes calling for straight flour.

There is a bright side to this sugar shortage which has reduced our ration to a maximum of three teaspoonfuls a day for table use.

We thought we needed sugar to make our food taste the way it should.

Now that we have not more than two pounds of sugar per person each month, we have been forced to develop our tastes in other directions. It has taken only a few short weeks for us to realize what delicious flavors we had missed.

THE CHEERFUL CHERUB

Our drug store man is
very cross.
He greets me with a
frowning face.
I'll just deprive him of
my trade
And buy my
stamps some
other place.
